IDENTIFIERS	*Alabama

ABSTRACT

Statistical and financial data about public schools in Alabama for the academic year ending June 30, 1989 and for the fiscal year ending September 30, 1989 are presented in a series of tables divided into four sections. Section I contains tables summarizing information on the enrollment, attendance, and personnel of local boards of education and state information and also includes data on: the source and disposition of funds handled by the Alabama State Department of Education; distribution of departmental expenditures; vocational education funds; crippled children's services; and vocational rehabilitation. Section II provides the following information on students: enrollment by grade for all students, for white students, and for non-white students; miscellaneous information (transportation, race, and sex); average daily attendance and average daily membership by grade group; percent average daily attendance by grade; number of high school graduates by race and sex; and number of dropouts by race and sex. Section III contains information on personnel, including: number of principals, number of teachers; and number of other certified personnel; average salaries of teachers and principals; number of all certified personnel and average salary by rank of certificate; number of regular program teachers and average salary by rank of certificate; and number of non-certified personnel. Section IV provides data on revenues and expenditures, including: percent of revenue by source; revenues per student; expenditures per student; revenues and other financing sources; expenditures and other fund uses; and local funds reported by principals.
